

Express Yourself!

Imagine printing your own personalized greeting cards, invitations, letterhead, stationery, signs and banners...instantly! That's only the beginning of what you can do with THE PRINT SHOP.™

Everything you need to start printing is in the package, including an illustrated reference manual full of creative examples.

THE PRINT SHOP features:

Eight typestyles in multiple sizes and formats.

Dozens of pictures and symbols, border designs, abstract patterns, and a Graphic Editor for creating your own designs.

THE PRINT SHOP has easy-to-use text editing features and it supports most printers.

Sample package of brightly colored pin-fee paper and envelopes.

Now available for APPLE II+, IIe, IIc, Commodore 64 and Atari 400, 800, XL/XE Computers.

Now there's even more crea

Expand your creativity and the impact of everything you print with new members of The Print Shop family. Get additional ready-to-use graphics from THE PRINT SHOP GRAPHICS LIBRARY.™ DISK 1 includes 120 designs for holidays, special occasions, sports, and school, plus zodiac signs, animals, and more. DISK 2 gives you 120 graphics that bring to life your favorite jobs, hobbies, and people.

GRAPHICS LIBRARY disks are sold separately and require THE PRINT SHOP program for use.

Now available for APPLE II+, IIe, IIc, Commodore 64 and Atari 400, 800, XL/XE Computers. Look for Disk 3 coming soon!

Activity for Print Shop printing!

Introducing THE PRINT SHOP COMPANION.™ It's more than just graphics. THE PRINT SHOP COMPANION has brand-new timesteps, dozens of creative new borders, custom calendars, a fun and crazy creature maker, and new type and border editors. Best of all, the COMPANION has a specially-enhanced Graphic Editor incorporating many of the most popular features of expensive drawing programs including:

- Flood fill patterns, mirror imaging, inverting and flipping of graphics and mouse control.

Now available for APPLE 64K II+, IIe, IIc. Coming in Fall 1985 for Commodore 64.

Say it with color!

Add extra flair to everything you print with THE PRINT SHOP PAPER PACK.™ Banners are bolder. Bright colored letters get special attention. Colorful greeting cards have a way of shouting, "Happy Birthday!" or whispering, "Shh! It's A Surprise."

THE PAPER PACK: 120 sheets of special pin-feed paper in an assortment of bright, eye-catching colors, with 42 matching envelopes. Ask for it wherever Brøderbund products are sold.

Look for Brøderbund's family of Print Shop products at your favorite software dealer, or call Brøderbund at (415) 479-1185.
