St Patrick's Day

Passover

Your space shuttle has come up against a mysterious force field. Melodic sounds reverberate as you blast forward and smash your way through the multicolored layers. It's so bright, it's almost blinding—layers

upon layers of brilliant color. Can you fly through this gigantic force field or will you crash and be destroyed? And what about the layers? If you make it through one, can you make it through the next, and the next?

Halloween

It's a stormy night,  
and you're creeping  
through the dusty  
corridors of a haunted  
house, with only a flickering  
match to guide the way.  
As you stumble  
along, a vampire  
bat suddenly

flies in your face,  
a furry tarantula runs  
across your foot,  
and then you see a  
ghost! It's enough to  
scare you to death!  
It's *Haunted House*  
from ATARI, the perfect  
Halloween game!
