# IT'S FUN TO PLAY ATARI® VIDEO GAMES...

That's why I started the Atari® Game Club.™ I wanted to share my Atari adventures with my fellow Video Computer System™ owners.

So with the help of the Atari® people in Sunnyvale, California, I founded a private club that's run by us—the members.

As a member, you have many special privileges. Four times a year you receive "Atari® Age," the club newsletter. It'll keep you up to date on new games, tournaments, contests, and, best of all, the experiences of your fellow Club members.

What's more, you have Clubhouse Store privileges. And the store is always fully stocked with all the Game Program™ cartridges and accessories—plus the exclusive club merchandise that says "I'm an Atari® Video Game player."

Your one year membership is just \$1.00. A real bargain—and you'll even get some "mystery gifts" with your first newsletter, membership certificate, and wallet card. Better yet, order any cartridge through the club and your membership is free. And if your first order exceeds \$40, I'll toss in a truly dynamite Space Invaders\* tee shirt as a special bonus!

Call me toll-free or write today.

Sincerely,

*George Dakota*
