COSMIC CREEPS™

VIDEO GAME CARTRIDGE

The Stars:
Kid, Creeps,
Skeeters,
and Orbinauts

COSMIC CREEPS PLAY FOR KEEPS

The earth is falling out of orbit. In twelve revolutions, a civilization of Cosmic Kids will be lost for eternity. The only way to avert universal disaster is to get an Orbinaut up to the Space Station and aid the escaping Kids. But the cosmos is crawling with creeps. Skeeters are pursuing your Orbinaut on his perilous path. And Creeps are chasing your Kids as the earth slips slowly away.

Cosmic Creeps is a contest that renews the faith of the most spaceweary videonauts. Luck is not enough. Can you guide your Orbinaut past Skeeters and Plasma to the Space Station? Can you bop the Creeps back to earth before they bop your Kid? Can you save the Kids for posterity before the earth sinks into oblivion? With astronomical skill, strategy and stamina, the Kids have a chance. Good luck. The earth is depending on you.

Featuring Mr. Mouth
and a cast of thousands
(of calories)

A FURIOUS FEAST OF FAST FOOD FOLLY

And the faster you eat, the faster it flies. *But wait.* Purple pickles give Mr. Mouth indigestion. Six and BURP your binge is over.

CAUTION: Fast Food is habit forming. You're getting fatter and fatter and all you can think of is MORE FAST FOOD. Beat your record. Up your calorie count. Steer clear of the dastardly, indigestible purple pickles. What this video game appetite, and you'll never stop eating.

THE SPHYZGI INVASION HAS BEGUN

STARGUNNER™

VIDEO GAME CARTRIDGE

A GREAT NEW VIDEO SPACE GAME
IS ON THE ATTACK

The invasion is upon us!

The deadly Sphyzgi (Sfi-zí-g) of StarGunner bring with them new excitement in a video space game.

A deadly alien squadron launches its attack, an attack only the StarGunner can stop. He'll need split-second reflexes to keep the Yarthae Empire from total destruction. He takes fast aim at the enemy and fires.

But this is no ordinary adversary! As quickly as StarGunner can destroy the Sphyzgi, new ones materialize. And even as he fires on them, their droid Bobo barrages him with bombs. It's a wild and frantic contest.

But while the empire hangs in the balance—rapid sales are a sure thing.
