Radikal™ BIKERS

TASTY GAME!

Radikal Bikers is fresh and fun!

Atari Games is introducing a new game that really delivers: *Radikal Bikers*! It's all about a fast, fun-filled race through the crowded streets of a madcap city. Select one of four bikers and deliver pizza to target areas before the time expires. Beat the other bikers and you continue on to the next circuit.

For added challenge, collect the five different power-ups and many shortcuts on each course. There are 12 delivery missions that take you through some great scenery: a zoo, a cruise ship, and even a graveyard.

A unique handlebar-type controller gives precise acceleration and braking. Use the pull-back feature to get more air for wheelies, collecting power-ups and sliding around turns.

Good drivers need to be daring - the crazy elements add to the unique flavor of this game!
