ATTN. ATARI COMPUTER SOFTWARE REVEIW DIVISION

Dear sirs;

Enclosed is a game program for the ATARI home computer system. It is a translation of the arcade game GRAVITAR.

We are currently seeking a company to purchase this software.

The program enclosed is a demo copy only. The operating system, (OS/A+) is for demonstration purposes only.

Program requires 48k ram and a single density drive.

If the software meets your marketing requirements, (we can modify to suit your needs) direct enquiries to:
