

The mystique of **CLUB MED**.
The magic of **ATARI**.
Brought together on an
enchanted isle in the Caribbean.

Looking for a tennis partner? Want to check the menu at one of our fabulous restaurants? Need some tips on snorkeling or word processing? The ATARI Home Computer will help you. Our gentil organisateurs will teach you. Like to learn more about the computer but don't want to leave the beach? Anything is possible at this island paradise of tomorrow.

You can stay a week. Or as long as you like. Children will enjoy the mini club created especially for them.

You will find this special program only at Punta Cana from June 11-September 10, 1983. For more information on rates, dates and charters, consult your travel agent or phone toll free:
